

BIKE TO SCHOOL DAY CONTEST – MAY 10TH

KIDS LOVE BICYCLING! Bike to School Day is a national, yearly event to celebrate the school commute and encourage more families to safely try out riding to school.

On the morning of May 10th, Howell Area Parks & Recreation Authority staff will go around to participating Howell Public Schools, like yours, and count the number of bikes ridden to school to see who wins the 2017 Bike to School trophy!

Helmets required. Parents, please plan to pick up your children's bikes. For further information, contact Katie Deatherage at (517) 579-2867 or kdeatherage@howellrecreation.org.

FREE BICYCLE SAFETY INSPECTION

for all participating kids on May 8th & 9th, 5pm-9pm at Hometown Bicycles in Brighton. (\$40 value!)
